

2018 Overall State Ranking Middle School

The overall rankings are used to determine TEAMS Best-in-State. The rankings are determined by the combining the three competition scores (multiple choice, design/build and essay). The top team in each state will receive a "Best-in-State" banner and medals for the students on the team. The top three teams at each level in the state will receive certificates. The top three teams at each level in the state are automatically qualified to compete in the national TEAMS competitions, June 22nd – June 25th in Atlanta, Georgia.

Division rankings are available by downloading the information and using the instructions below. These rankings are provided for your information only and are not used to determine Best-in-State or advancement to national TEAMS competitions. Customizable certificates are available in the TEAMS coach account.
