

2018 National TEAMS Problem Solving Competition

Materials List

Each team must bring the following items with them to the national TEAMS Problem Solving competition. (Pictures are for reference only – a specific brand is not required.)

Ruler (centimeter markings) – up to 1 per team member

Compass – up to 1 per team member

Protractor – up to 1 per team member

Scientific or Graphing Calculator – up to 1 per team member

Sharpened Pencil or Mechanical Pencil – up to one per team member

Other materials for this competition will provided onsite.

Allergy alert: two of the items provided onsite are Alene's tacky glue and Crayola Model Magic. Please notify Sandy Honour (shonour@tsaweb.org) by May 14, 2018 if any team member has an allergy to either of these items.
