Q. What if some of the team members cannot attend?

A. You may bring substitutes for team members who cannot attend.

Q. Our original team had eight members but only five can attend. Can we still compete?

A. The team needs to have between 4 and 8 members, but it does not need to be the same number that competed originally.

Q. How much does it cost?

A. Each person (students and adults) attending must pay the \$100 registration fee for the conference and is responsible for all expenses including transportation, housing, and meals.

Q. When should we arrive and depart?

A. Teams should arrive on June 28th. Registration packet pick-up, along with the coaches' information meeting and mandatory captains meeting will take place the morning of June 29th. The TEAMS awards ceremony is the evening of Monday July 1st.

Q. Where should we stay?

Room reservations can be made through the TSA National Conference [hotel links](#).

Note: All room reservations require a four night minimum stay.

Q. What other activities can we take part in during the conference?

A. In addition to the national TEAMS competitions, TEAMS competitors may participate in many of the social activities occurring at the conference. Note that TEAMS competitors who are not TSA members may not compete in the TSA competitions.

Q. Can students attend without an adult?

A. No – all students (including those who are 18 and who may have graduated) must have an adult (also registered for the conference) with them. TSA requires at least one adult for every ten students.
